"Thank you for your interest in supporting Jackrabbit Football. My family and I are so excited to return to Brookings and lead this program. SDSU is a special place, but it's special because of the support of this community. It's the members of the Difference Maker's Club who provide our program with the additional resources necessary to compete at the highest level. They are what make this experience so unique and rewarding.

As we prepare for the 2025 season and beyond, please know that your support makes a difference. We rely on your membership in the Difference Maker's Club to elevate the experience our players have every day. Without you, this program would not be where it is today. I'm excited for my coaching staff and our players to witness the impact Brookings and supporters like you have on Jackrabbit Football."
